Parks and Recreation

Downtown Trick or Treating

As we turn the pages to October, this means downtown Trick or Treating in DuPont! Keeping with tradition, Parks & Recreation will host downtown Trick or Treating on **Tuesday, October 31, from 3:00 PM-5:00 PM** along Wilmington Drive. Families are all invited to Trick or Treat safely and responsibly on Halloween in our local businesses. We are often asked why we don't extend our Trick or Treating along Wilmington Drive to later in the evening. We end this annual event at 5:00 PM out of respect to our business owners who also have families at home to celebrate the holiday with. We want them to be able to be home at a reasonable hour to enjoy time with their friends and families as well. If you see a business owner along the way, please be sure to thank them for opening their doors to the community on this special day.

HOW DO I?

Street Light Outages

Do you see a broken or dark street light? Did you know that Puget Sound Energy maintains these lights? The most direct way to report an issue is to go directly to the Puget Sound Energy link [PSE | Report a Street Light Problem](#), and complete the form. There is other helpful information on the City's website under "How Do I".

A screenshot of the Puget Sound Energy (PSE) website. The top navigation bar includes links for RESIDENTIAL, BUSINESS, PAY BILL, SIGN IN, and OUTAGES. Below this is a secondary navigation bar with links for Account & Billing, Safety & Outages, Customer Service, and Efficiency & Green Options. The main content area is titled "Report street light outage" and includes a breadcrumb trail "Home > Outage". The form itself is divided into two main sections: "Contact information" and "Location information". The "Contact information" section has fields for First name, Last name, Phone, and Email *. The "Location information" section has fields for Nearest physical address *, Apt/unit, City *, State (pre-filled with WA), and Zip code *. There is also a field for "Enter pole number (if known)" with an information icon. A note at the top right of the form indicates "* required fields".

Lodging Tax Advisory Committee Grant Applications Now Open!

City of DuPont LTAC grant applications (for activities in 2024) will be accepted from **October 23, 2023, until November 8, 2023, at 4:00 p.m.** Applications submitted after the deadline will not be considered for grant funding. To apply, click [here](#).

LTAC grant funding is available to non-profits and public agencies for projects that assist with tourism development and promotion in the City of DuPont. The grant program is made possible through taxes paid by consumers when they stay in paid lodging in the City of DuPont and overseen by the Lodging Tax Advisory Committee.

To learn more about LTAC Grants read the [Grant Guidelines \(PDF\)](#). More information can be found on the [Lodging Tax Advisory Committee Page](#).

I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

The project extends HOV lanes in both directions into DuPont.

TRAFFIC ALERT!

A Comcast contractor is scheduled to do work in the right-of-way in a section of Center Drive from October 9th - November 10th. They will also be directing traffic on DuPont-Steilacoom Road for turns onto Center Drive. Their work hours will be 7:30 AM – 3:00 PM. Westbound Center Drive and northbound DuPont-Steilacoom Road will be reduced to one lane during these times. Please be cautious, patient, and follow all traffic instructions in this work zone. Thank you for your patience!

PUBLIC SERVICES – POLITICAL SIGNS

As election time gets closer, temporary political signs are being placed throughout the City. Following these types of sign requirements are essential for pedestrian and driver safety. Specifically, signs in locations that interfere with the site distance of pedestrians or motorists proceeding on or approaching public streets, intersections, alleys, driveways, parking areas, or sidewalks are not allowed.

Site distance can be determined by drawing an imaginary line that is 30' from the intersecting point of two sides of the right of way as shown in the graphic. All signs must be outside of this "site distance triangle". Signs that are placed within the site distance triangle will be removed and held at the City of DuPont Public Works and Maintenance Facility (301 Louviers Ave.) for pick up Monday- Friday between 8am-3pm.

Signs must be removed within five working days following an election.

Fall Leaves

We'll all agree the fall-colored leaves bring added beauty to the wonderful City of DuPont, yet they also cause a lot of yard work. Please be responsible for the leaves that fall in your yard and on the sidewalks in front of your homes, and do not blow them into the street. Instead, please put them in your yard waste receptacles. Work with your neighbors to make sure storm drains are clear. Keeping leaves raked and cleaned up will keep gutters and streets from filling up with water. Street sweepers will be coming by in the coming weeks (please see schedule below), so let's do our part to help ensure the streets are clear of leaves and debris. Thank you, residents!

CITY OF DUPONT WATER MAIN FLUSHING

The City of DuPont periodically flushes the pipes in our water system to remove rust and sediment, which helps ensure you receive clean, reliable water. Flushing forces high-velocity flows through the pipes and out through fire hydrants. Along with scouring the inside of water mains, this also helps us find and repair malfunctioning valves and hydrants before they cause problems. Water department crews will likely begin flushing in October 2023 and should complete the program in early 2024.

What to Expect-

- During flushing, you might see utility crews working at hydrants and valves in intersections and at the end of cul-de-sacs.
- Your water pressure may decrease during flushing, and you may see discoloration. This is temporary, not harmful and should clear up quickly.
- Avoid running the tap or turning on appliances that use water, such as dishwashers and clothes washers, when flushing is happening in your area.
- If you get discolored water or find sediment in your water, remove any aerators from your faucets and run the cold tap for a few minutes or until the water runs clear.
- Make sure your first load of laundry after flushing is dark clothes only.

If you have questions during normal business hours about our flushing programs, or if your water does not clear up within a short time after flushing is completed, please contact our Water Quality Section at (253) 964-8121 or publicworks@dupontwa.gov.

After business hours, call the Public Works Afterhours Emergency Contact Line at (253) 912-5389.

DuPont Parks & Trails

Did you know the City of DuPont has over 12 miles of maintained trails and nearly 20 developed park spaces? Or that there is a Community Garden or an off-leash dog park? You can discover all these places and more by using our City website's Parks & Facilities portal! The City Parks and the City Trails links use the same master search function that allows you to search by amenities or even trail difficulty! Whatever you select as a feature, only parks or trails that have that feature will populate! Looking for an easy trail with a water view? Select "water view" and "trail-easy," which will only bring up those trails! Are you looking for a park with a playground but also a bathroom? Search both of those features, and only those specific parks will show.

Discover a new park, a trail, or Community Garden, and explore these portals! <https://dupontwa.gov/198/Parks-Facilities>

Safety Message - Halloween Safety Tips

Halloween Safety Tips

Everything you need to know to keep your kids safe on Halloween.

Walk Safely

- Cross the street at corners, using traffic signals and crosswalks.
- Look left, right and left again when crossing and keep looking as you cross.
- Put electronic devices down and keep heads up and walk, don't run, across the street.
- Teach children to make eye contact with drivers before crossing in front of them.
- Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings.
- Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.

Everyone loves a good scare on Halloween, but not when it comes to child safety. There are several easy and effective behaviors that parents can share with kids to help reduce their risk of injury.

Drive Extra Safely on Halloween

- Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.
- Take extra time to look for kids at intersections, on medians and on curbs.
- Enter and exit driveways and alleys slowly and carefully.
- Eliminate any distractions inside your car so you can concentrate on the road and your surroundings.
- Drive slowly, anticipate heavy pedestrian traffic and turn your headlights on earlier in the day to spot children from greater distances.
- Popular trick-or-treating hours are 5:30 p.m. to 9:30 p.m. so be especially alert for kids during those hours.

DuPont Fire Department

Safety Message - Halloween Safety Tips continued.....

Trick or Treat With an Adult

- Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, remind them to stick to familiar areas that are well lit and trick-or-treat in groups.

Keep Costumes Both Creative and Safe

- Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.
- Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.
- Have kids carry glow sticks or flashlights to help them see and be seen by drivers.
- When selecting a costume, make sure it is the right size to prevent trips and falls.

On average, children are more than twice as likely to be hit by a car and killed on Halloween than on any other day of the year.
